

Derbyshire and Nottinghamshire Chamber of Commerce Business Awards 2011

The awards evening was held at the Derby University Roundhouse based on Pride Park on Friday 30th September 2011 to honour businesses in Derbyshire for their contribution to the local and national economy. George Cowcher, Director and Chief Executive for DNCC said 'These awards are widely recognised as a hallmark of quality and excellence and are only awarded to companies which have taken significant strides forward during the year'.

The category for Achievement in International Business was sponsored by Enterprise Europe Network.

FA-ST Ltd are pleased to be associated with the awards as it shows that continued development and investment in exporting has benefited the growth in business.
