

# FA-ST Filtration Analysis Services Technology Ltd

## Derbyshire & Nottinghamshire Chamber of Commerce Business Awards 2009

Sponsored by:

### Innovation through Technology

FA-ST Ltd entered the DNCC Business Awards 2009 and was selected as Finalists in the Category Innovation through Technology. To reach the finalist stage FA-ST had to demonstrate that technology played an important part in the business and product development. The judging panel looked at the industry that the business operated in, what new technology has been implemented and the issue or goal that it addressed along with the impact that the technology has had on all aspects of the business.

A Gala dinner held at Pride Park in Derby was introduced by George Cowcher DNCC Chief Executive and hosted by Brian Blessed and attended by over 300 people.
